## Mission Statement

It is the Parks and Recreation Department's mission to develop a culture in our youth sports where the primary purpose is to develop skills that focus on fundamentals, teamwork, sportsmanship, & respect for all involved. Through this development will come accountability, leading to greater personal and athletic growth.

### Youth Sports Code of Conduct Guidelines

1. I will remember that children participate in youth sports to have fun and should be encouraged to do their best which is not necessarily reflective of the overall outcome.
2. I will demand a sports environment for my child that is free from drugs, tobacco, and alcohol and refrain from their use at all sporting events.
3. I will be a positive role model for my child and encourage him/her to display sportsmanship by being courteous and respectful and showing positive support for all players, coaches, officials, and spectators at all practices and competitions.
4. I will remember that my purpose for attending games is to cheer on my child and the team. It is not to complain about and criticize decisions that are out of my control.
5. I will refrain from coaching my child or other children during games and practices, unless I am one of the official coaches of the team.
6. As a coach or parent, I will respect the authority and decisions of officials. If there is a question, it will be asked at the appropriate time in a calm manner and we will move on from there.
7. I will not blame or yell at my child, coaches, officials, or others for making a mistake or losing a competition.
8. I will not belittle or ridicule anyone involved in a youth sporting event in public, private, in-person, or online.

***\*\*\*If we all follow these guidelines and remember our roles as coaches, officials, and parents, these events will be enjoyable and rewarding for all involved. If these guidelines are too much, we ask that you not be involved in these events. \*\*\****
