Police Chief Robert Wahwasuck was in attendance to provide the Commission with an update of the department's activities. Commissioner Aberle stated he understood that as well.

CITY BUSINESS

Commissioner Aberle asked about the tabled motion on the Midtown Building. Mayor Clark stated that it just sits tabled until someone wants to vote on it. Administrator Allen reported he would have Midtown Demolition bids to review by the next meeting. Mayor Clark added maybe that would be the time to vote on the motion. Commissioner Wittmer asked for an update on the 6th street project. Administrator Allen reported at the construction meeting last week the contractor stated he feels he will be completed by the end of July. Commissioner Schmitt inquired about the alley improvements behind the residents on north 6th just over the railroad tracks. Administrator Allen said that will be completed before the demolition of 6th street begins in front of those residents. Boy Scout Spencer Lourance reported pot holes on the east end of Kansas Road. Commissioner Wittmer asked that we review our ordinance about how long a trailer can be left on city streets.

The meeting was adjourned at 6:10 p.m.
